

Family Support of The Children's Storefront

It is the school's expectation that every family at the Storefront will support the school's efforts to raise money, provide opportunities for social events and further the success of the school. There are many ways to support the Storefront, such as:

- Donating monthly or annually, directly to the school (\$20 a month)
- Supporting the Parent Fundraising efforts – Car Wash, Fish Fry, Movie nights, Bake Sales, Gala Benefit
- Volunteering in the offices, library or classrooms
- Volunteering to serve on the Parent Advisory Board and attending monthly meetings
- Volunteering to support and help at the Parent Advisory fundraising events
- Donating materials and supplies to the classrooms and offices

Every year when we approach funders to give to the school, we are asked, "How is the parent participation?" We are proud of the high involvement of parents at our school. We are happy to see the new ideas and efforts of parents to support our work.

This year I would like to be able to say that we have had 100% of our families financially support the school. Whether you give to the Benefit or the Fish Fry, whether you give a little or a lot, it would be wonderful to see us all donating to keep the Storefront growing. Please help us to make the Storefront as strong as possible financially.

Please fill in the following and return with your other forms.

_____ I will support the school in its fundraising efforts. I will:
(Choose all that apply)

_____ make a monthly donation

_____ make a donation to a Parent Advisory event

_____ make a donation of material goods, i.e. paper, tissues, glue, etc.

_____ make donations by shopping at stores that give a donation to the school

_____ I will not be able to support the school financially this year

Name of Parent _____ Date _____
