Media Workshop
(Week 1, 35 Weeks)

How do we watch/listen most effectively? What special rules of conduct are there when the lights are out and a video is playing? How can we remember important points and share them with others?

Students will visit the computer lab or library to watch and discuss a series of videos that are tightly linked to their work in the first grade classroom.

Listening, observation, note-taking (using simple words or pictures).

Observation, classroom discussion.

- Projector in computer lab, videoback + monitor in library or other classroom.
- Assorted videotapes & dvds.
- Edvidzo online video library (<http://www.edvidzo.org/edvidzo/index.html>)
- One More Story storybook collection (<http://www.onemorestory.com/>)

A Look at Next Year
(Week 36, 2 Weeks)

What will we do with computers next year? How will it help me? What can I do to prepare over the summer?

Preview of basic tools for following year(s).
