The Program Compliance team is in the process of reviewing your Funding Year 2007 Form 486 Receipt of Service Confirmation Form for schools and libraries discounts to ensure that it is in compliance with the rules of the Universal Service program.

For more information on the definition of basic telephone service, see <http://www.usac.org/sl/applicants/step02/basic-telephone-service.aspx>. Additionally, applicants must confirm in their Form 486 that their technology plan was approved before they began

[The technology plan creation date is the month and year the technology plan was written, not the date when you began to develop or draft it. The technology plan must be created in sufficient detail to support the services requested on your Form 470, and the creation date must be prior to the date your Form 470 is posted.]
- Does your school/library possess the Technology Plan Approval Letter(s) issued by the Certified Technology Plan Approver for all funding requests listed on your Form 486? Yes or No. If no, please provide an explanation detailing why.

If your original documentation cannot be replaced or recreated, kindly contact me for further details.

For additional information on Technology Planning, please refer to the USAC Website:
