Dear STEVE BERGEN,

RESPONSE DUE DATE: September 11, 2007

The Program Compliance team is in the process of reviewing your Funding Year 2007 Form 486 Receipt of Service Confirmation Form for schools and libraries discounts to ensure that it is in compliance with the rules of the Universal Service program.

FCC rules require that an entity have a written Technology Plan, consistent with the products/services requested on their Form 471, which must be approved in order to receive support for services other than basic local, long distance or cellular service. For more information on the definition of basic telephone service, see <http://www.usac.org/sl/applicants/step02/basic-telephone-service.aspx>. Additionally, applicants must confirm in their Form 486 that their technology plan was approved before they began receiving services. Answer all of the following questions and provide the requested documentation as indicated. Fax or e-mail the requested information to my attention.

Please send the requested information within 15 calendar days from the date of this letter. It is important that we receive all of the information requested so we can complete our review. Failure to do so may result in a reduction or rejection of the Form 486. If you need additional time to prepare your response, please let me know as soon as possible.

\* Does your school/library have an approved technology plan(s), which is/are consistent with the products/services requested on your Form 471 and funding requests listed on your Form 486? Yes or No. If no, please provide an explanation detailing why.

---> yes, it is called [techplan072906.pdf](#) and is sent as an attached file today 9/11/07 along with this document

\* Please specify in writing the creation date(s) (month/year) of each Technology Plan submitted. [The technology plan creation date is the month and year the technology plan was written, not the date when you began to develop or draft it. The technology plan must be created in sufficient detail to support the services requested on your Form 470, and the creation date must be prior to the date your Form 470 is posted.

---> the creation date is July 2006

\* Does your school/library possess the Technology Plan Approval Letter(s) issued by the Certified Technology Plan Approver for all funding requests listed on your Form 486? Yes or No. If no, please provide an explanation detailing why.

---> answer: YES

\* Please provide copies of all Technology Plan Approval Letters pertaining to all non-basic telecommunication funding requests listed on your Form 486.

---> the letter is titled NYSAISapproval.pdf and is below; it is also posted on the Web at <http://www.thechildrensstorefront.org/tech/NYSAISapproval.pdf>
